

INCREASE IN THE NEEDS OF SUFFERERS BY BIG WAR

Franco-American Committee in Paris Writes Mrs. John A. Logan Specifying Supplies Required.

Mrs. Caroline R. Hill, who is working with the Francos American relief committee in Paris, has written to Mrs. John A. Logan, saying that the needs

writes. She says that the \$540 worth of road the entire distance, and the trip of milk sent her from Washington in is easily made in less than four hours. June arrived in good order, in twenty-six days from time of shipment, in 162 Thayer left here Sunday afternoon at

Great appreciation of what Washingtonians have done is expressed by Mrs.
Hill on behalf of the committee, and
she says she hopes that as soon as
people get back to town this autumn
the relief work will be taken up with ople get back to town this autumn relief work will be taken up with

The restet work will be taken up with renewed vigor.

Mrs. Logan says the work will be more actively resumed the 1st of October, although she is even now receiving small donations among the receiving small donations, among them one for \$5 from Mrs. Sangster, and another for \$10 from Mrs. O. A. Cook. She makes an earnest appeal for shoes of all kinds for all ages of children, which would be worth transporting to France, for the little war sufferers to use this winter.

\$2.50 to Philadelphia, \$2.25 Chester, \$2.00 Wilmington, and Return, Baltimore & Ohio, Sunday, August 22, from Union station at 7:05 a.m., re-turning same day.—Advertisement.

ESCAPES FROM HOSPITAL

After Three-Hour Search Patient Is Found Hiding in Woods.

Mrs. Victoria A. Ripley, fifty-seven years old, who was sent to the Government Hospital for the Insane November 9, 1912, disappeared from there yesterday. It was feared she would do harm to herself or to some other person, the police were told, and hospital attendants, nurses and the police participated in a search for her. She was found hiding in Pencote woods about three hours after she left the hospital.

SAMUEL L. HOOVER DEAD.

Had Been Ill a Number of Weeks. Funeral Set for Monday.

Samuel Lemon Hoover, of the firm of Hoover & Denham, died last evening at his home, 2601 Connecticut avenue, at the age of fifty years. He had been ill for a number of weeks, having suf-fered from a general breakdown and complications.

Funeral services are to be held at his late residence Monday afternoon at 2 o'clock, Rev. Charles E. Fultz officiating. Interment is to be in Rock Creek cemetery.

Mr. Hoover was born and reared in

Washington. He entered business when but afteen years old, and had taken an active interest in the business world from that time on. He was a member of the Elks and the Eagles.

Besides his wife, Mrs. Annie M.

Hoover he leaves three children, Law-

rence Hoover of Laredo, Tex, and William Hoover and Miss Alice Hoover of this city, and five brothers, William H. H., jr.; Charles N., Frank P., George F. and Eugene T. Hoover, Mr. Hoover's father, William H. H. Hoover, former food inspector for the District, also food inspector for the District, also survives him. The mother of the de-ceased, Mrs. Jean McKelvie Lemon Hoover, died last February.

Mrs. Hayes to Celebrate Birthday. Mrs. Lucy Webb Hayes, widow of for mer President Hayes, is to celebrate her birthday at a garden party to be given by the red letter day department of the W. C. T. U. of the District next Saturday evening at 7:30 o'clock at the read and addresses will be delivered. The Marine Band will furnish the mu-

and dry, the farmer views the cloudless sky, and heaves a deep, heart-rending sigh. "The weather bureau should reform," he tells his neighbors, growing warm; "we need a good, old-fashioned storm. When I was young we always got the weather that would hit the spot; 'twas not too cool nor yet too hot. The rains would come and reached the going the weather that would come and reached the point in time to enjoy a day's sport and reach home in time for supper.

"An over-night rain made the going the one stretch of country too hot. The rains would come along on time, the crops we reaped then were sublime; the present system is a crime." And when the skies are wringing wet, you still will see the farmer fret. The same way to a side of the river opposite Colonial Beach. Ferguson had the misfortune to get about as many toads as Dr. "These rains will ruin me, I'll bet! My fields are shoulder-deep in mud, and still the endless, senseless flood is falling with a sickening thud! When I was young they didn't send such blame fool torrents, without end; the weather was the farmer's friend!"

Beach. Ferguson had the misfortune to get about as many toads as Dr. Fowler did perch and trout, causing the former to suggest that the latter was using something on his bait.

It was an off day for the big fish, said the sportsmen, and only about twenty-five large trout were caught. Spots were plentiful, however, but there were very few perch in evidence.

Dr. Fowler, his wife and child have gone to Ocean View, where they expect to catch plenty of large fish.

Lew M. Thayer, automobile path- shade during the heat of the day, with

Thayer left here Sunday afternoon at 2 o'clock, went the distance without their luck in Chesapeake bay at Ches-

pounds each, and fully one-half bushel of large spots. "After breakfast," said Thayer, "we "After breakfast," said Thayer, "we returned to the water, caught another string of trout and an unlimited supply of spots. It was great fishing, and it is not my last trip there."

Capt. Wood told the two sportsmen that fishing will be better next month. Tailors will be running and much better sport will be had. Thayer caught two tailors Monday, the only fish of that species caught that day.

Linden hooked a big fish and broke

of the committee are daily increasing, particularly the need for cotton cloth by the yard, for sheets and for boys' clothing.

"We had a large number of children come to us from the north, and expect 100 more. I am simply nonplussed to know what we shall do for shoes for these children this winter," Mrs. Hill writes. She says that the \$540 worth of read the entire distance and the trin. S. B. Wigner, Louis Margolis, A Wig-

Mr. and Mrs. Herman Hoffman visited Chesapeake Beach and fished under difficulties, which meant three drenchings in about as many hours.

"But after each shower," said John Kane, "the couple renewed their ef-forts to catch fish, and their efforts forts to catch fish, and their enorts were not in vain."
Husband and wife are enthusiasts with rod and line. They make frequent trips to places where they can fish, and usually they return with a good supply, enough for themselves and friends. "And that's what they did the day they were caught in three showers," said Kane.

Mr. and Mrs. F. H. Anderson were at Rock Point with Mr. and Mrs. H. Wensinger of Fremont, Ohio, last week. They salled as far as Cob bar, fished two hours and caught a string of fifty-three trout and a number of spots.

"And they were so well pleased with "And they were so well pleased with their catch," said a resident of Rock Point, "that they arranged for a stay of several days later in the season."

Judge Michael M. Doyle, Judge George C. Aukam, John Lewis Smith, Robert J. Wynne and W. A. Hopkins were members of a two-day fishing party at Rock Point. E. P. Hazelton, who sel-Rock Point. E. P. Hazelton, who seldom misses a week end at Rock Point, was on hand with Guy F. Neely and Morton Neely, and the trio made a big catch. Probably the largest catch there by week-end visitors was made there by week-end visitors was made by Capt. William Mitchell, U. S. A., who tried the game alone and anded more than 100 trout.

M. L. Blades, G. W. Andrews, Charles Blades, George W. Baines and Albert J. Blades represented Takoma Park J. Blades represented Takoma Park among the scores of anglers at Colonial Beach. They were there for a day, registered at the New Willard for dinner and tried their luck from the pier in the afternoon.

"They were after perch," remarked Maurice Auerbach, "and were not disappointed. The next time they come they will go out to try for bigger fish."

B. W. Thompson and Robert Jingle enjoyed a pleasant outing to Colonial Beach last week. Both are enthusi-asts, and Thompson says when he goes fishing he usually has with him what t takes to catch the fish.

"The biggest trout I ever saw were on our string," said Thompson, "some of them being as long as a man's arm." Swans Point was where they caught the biggest fish. T. A. Wickersham is leading the fish-

T. A. Wickersnam is leading the fish-ermen at Chesapeake Beach, especially as to the size of the fish. "Others may remain on the water longer and get greater numbers," re-marked one of the older sportsmen at the beach, "but when it comes to getting the big ones Mr Wickersham Thomas Jones, J. H. Williams and getting the big ones Mr. Wickersham is there." Most of the fishing done by the suc-cessful angler is enjoyed during the early morning hours and at night.

Maryland side of the river and remained long enough to catch 179 fish, chiefly trout and perch.

George E. Hamilton, John P. Hamilton and John J. Hamilton and families were at Rock Point last week for an outing. There were nineteen persons in the party, and when they reached their destination there was such a high wind blowing that they did not venture out to try their luck with rod and line.

Early the next morning a number of the party went out and had good luck, landing a number of trout, perch and spots.

Llewellyn T. Reed, Raymond Reed and William Reed spent two days on the river at Colonial Beach the past week and had their usual good luck. The three anglers know every foot of ground in the river, creeks and ponds and enjoy fishing at all seasons. "In the spring," said Maurice Auerbach, "they enjoy fishing for white perch. Then comes the yellow perch and bass, and later the trout, spots and hardheads."

This week the trio landed several long strings of fish.

Among the Washingtonians who en-
